We want to be your dedicated funding partner.

Our approach to each client is always customized, personal and confidential.

Mr. Gregory Curley

Chief Executive Office,

Capital Banking Solutions is an affiliate of Capital Funding Solutions, providing financial institutions with multiple strategies to deliver working capital to businesses regardless of market dynamics and maintains close relationships with funders both domestically and internationally.

Our group member companies having placed direct investments in excess of three (\$3) billion dollars into small to middle-market-sized businesses and real estate companies.

Mr. Gregory Porter

Vice President,

Capital Funding Solutions

Greg specializes in working capital funding for small and medium sized businesses. His related expertise is asset-based lines of credit, account receivables, inventory financing, import & export financing, as well as supplier guarantee funding structures.

Our alliances provide funding through numerous family offices, private foundations, and commercial institutions for projects that offer measurable social and/or environmental impact in addition to profit.

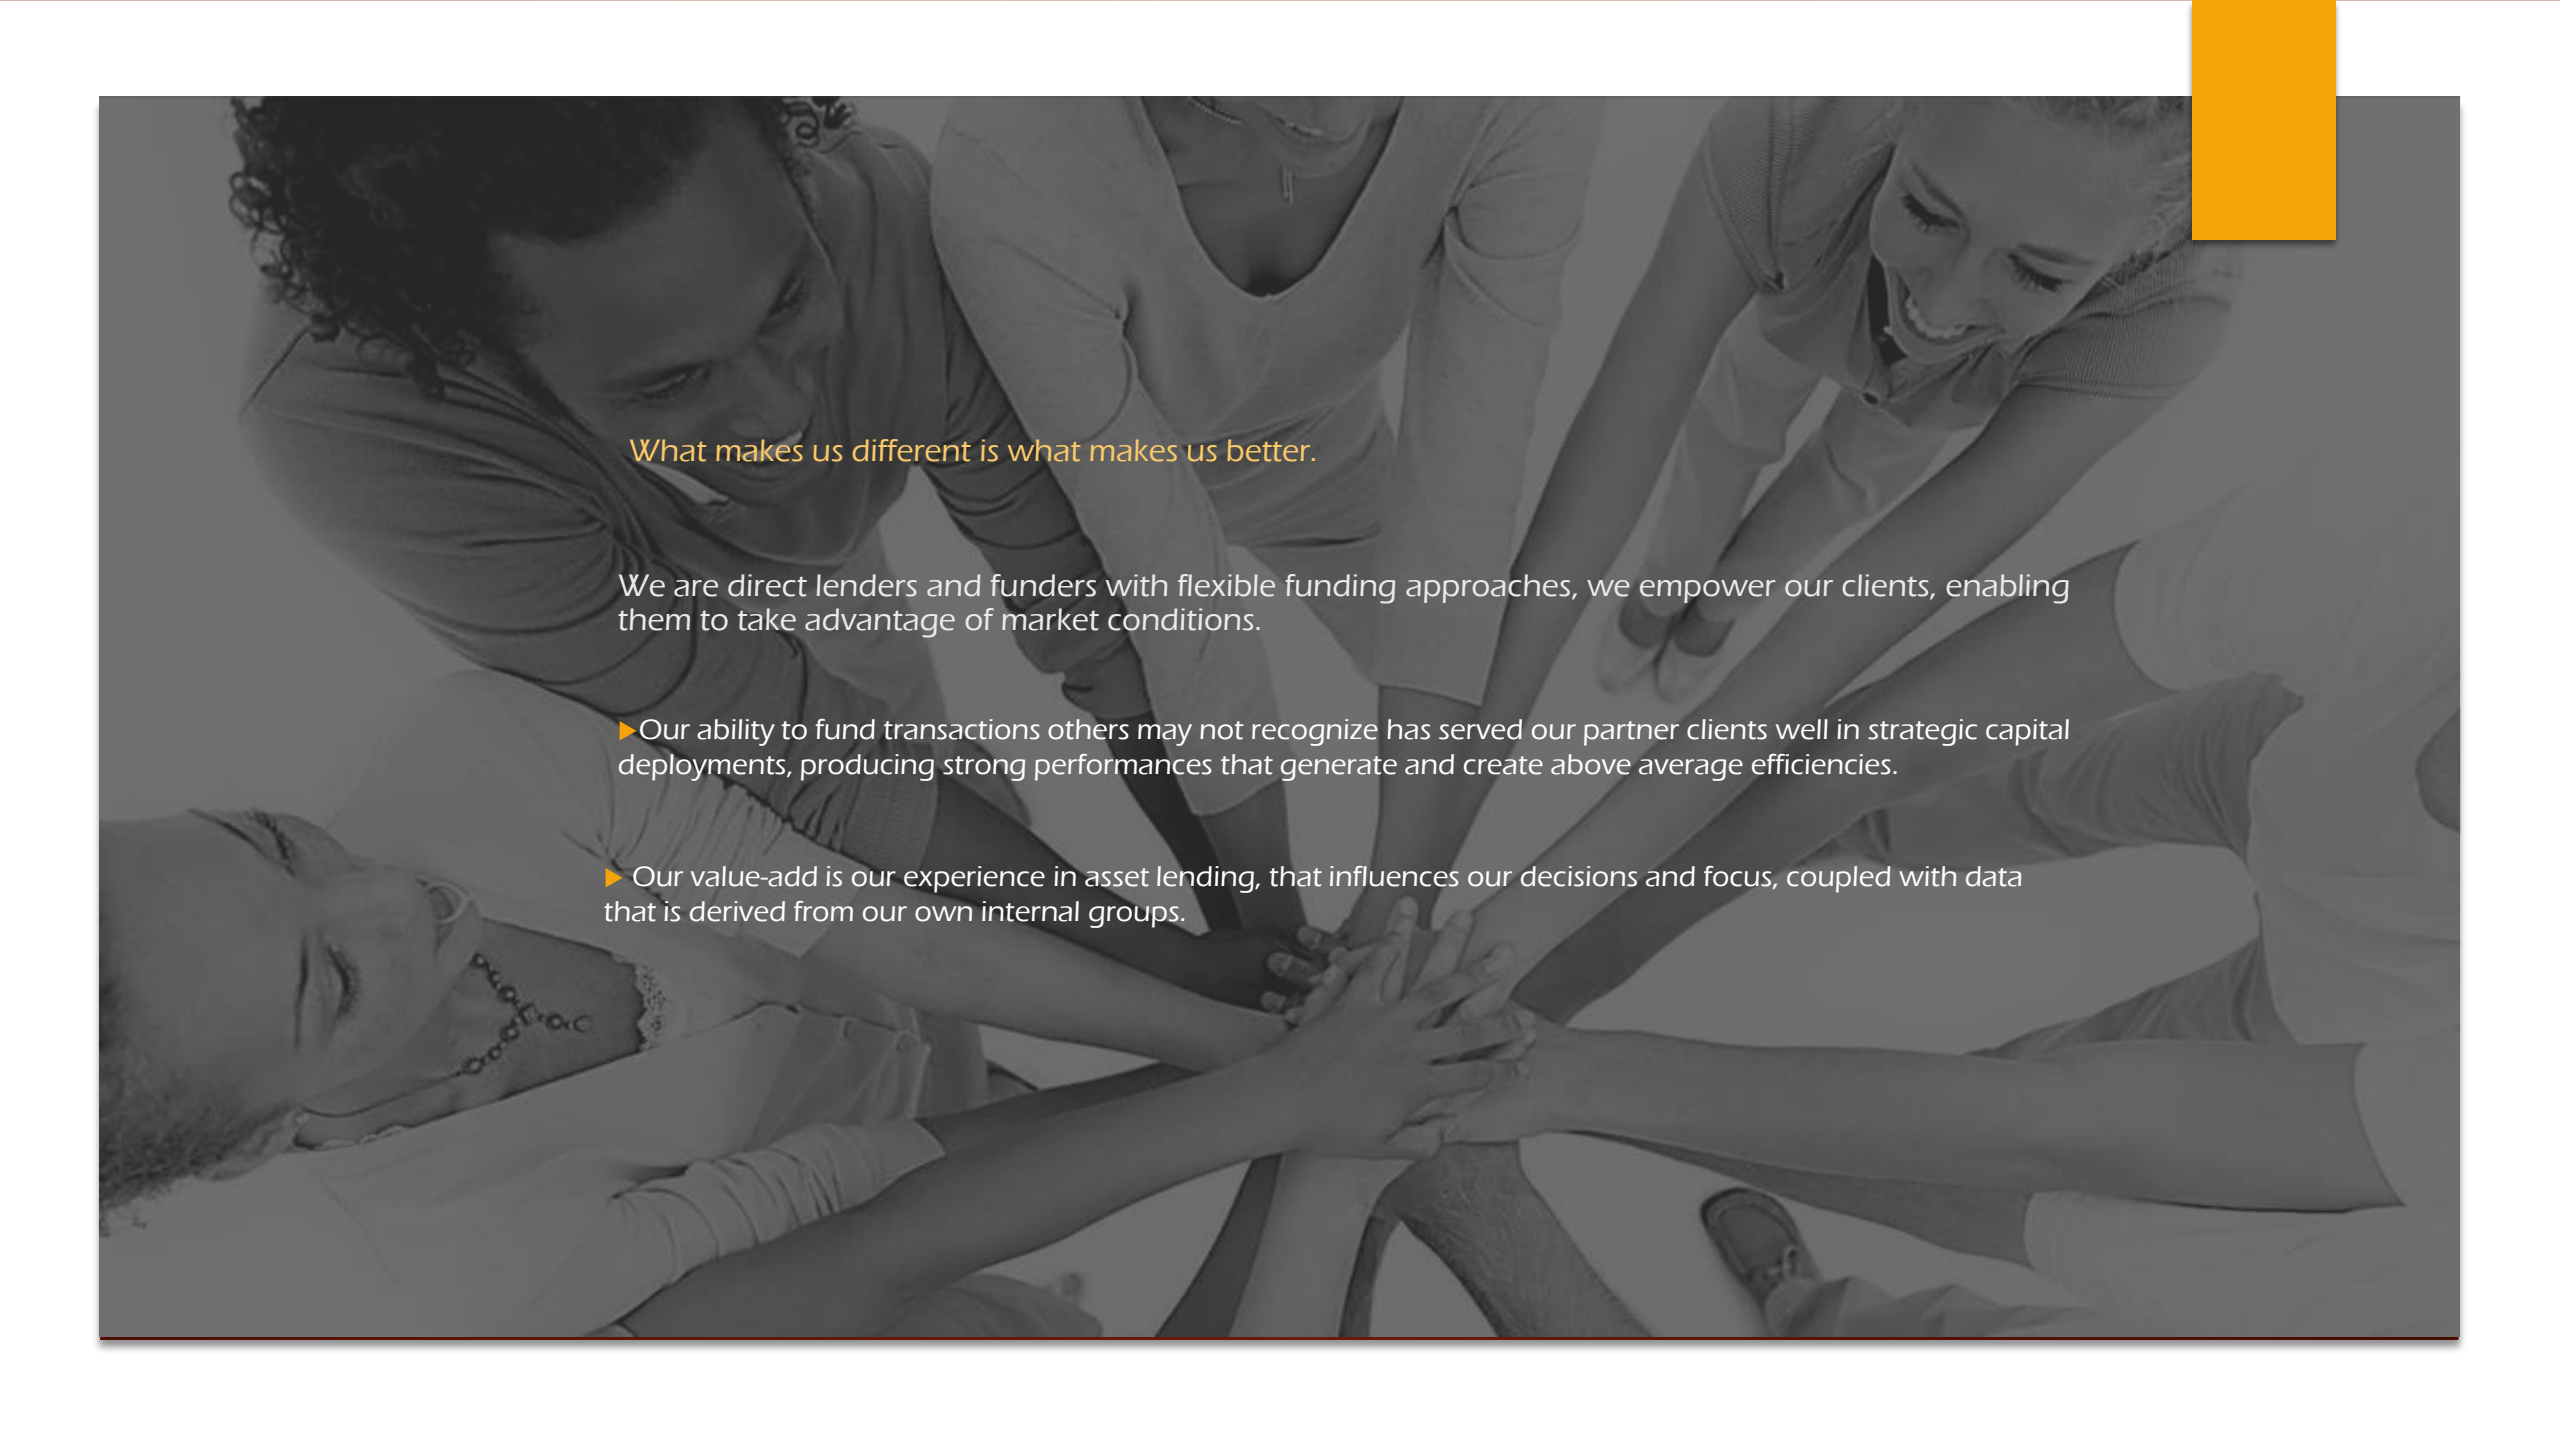

Participants include:

Our Wall Street connection has over one (100) hundred-year history as a Broker Dealer/Designated Market Maker (“DMM”) on the floor of the New York Stock Exchange (“NYSE”). Areas of expertise include an Investment Bank that focuses on emerging growth opportunities in the United States, Latin America, Europe and Asia.

Our boutique investment affiliate is a privately-held, corporate-banking firm dedicated to providing corporate finance, trade finance, cash management, human capital resources, insurance, and consulting options. The firm also serves as a corporate holding company that manages the group’s interest over its fourteen (14) subsidiaries and affiliates, including Capital Funding Solutions and Capital Banking Solutions, with funding capabilities ranging from Five (\$5, 000.000.00) Million to Five (\$500, 000.000.00) Hundred Million Dollars.

Our affiliate provides monetization funding as part of a senior-secured funding group in a highly specialized area of corporate finance. A longstanding relationship with institutional investors, predominately life insurance companies and pensions, provides vast resources of capital to structure and fund transactions. The company along with their in-house counsel has closed well over one (100) hundred deals well in excess of Three (\$3.000,000,000.00) Billion Dollars.

As a FINRA member, our affiliate provides loans utilizing a regulated and patent protected Capital Market Solution against a company’s future revenue streams. This is achieved through a trademarked and turnkey alternate market system known as a Royalty-based Funding Model.

What makes us different is what makes us better.

We are direct lenders and funders with flexible funding approaches, we empower our clients, enabling them to take advantage of market conditions.

- ▶ Our ability to fund transactions others may not recognize has served our partner clients well in strategic capital deployments, producing strong performances that generate and create above average efficiencies.
- ▶ Our value-add is our experience in asset lending, that influences our decisions and focus, coupled with data that is derived from our own internal groups.

We want to be your dedicated funding partner, that act in your best interest, and design solutions that meet your company's needs.

Funding solutions for Companies engaged in robust vertical -markets.

Does your Company need a capital solution for payments to your suppliers?

- A supplier guarantee program is a tri-party agreement between us, you, and your supplier; wherein we contractually obligated to pay your suppliers from the proceeds of factored invoices. Once we confirm your buyer has received your products or services and your Company confirms the amount owed; we will pay your supplier directly for any goods or services you used to satisfy the order.

Does your Company need a short-term commercial finance option that provides capital to pay suppliers upfront, so your company doesn't have to deplete cash reserves?

- Our purchase-order financing is designed for growing businesses that lack access to sufficient working capital and/or poor cash flow. Your suppliers are paid directly by us, usually via a letter-of-credit, and your company simply fulfills the orders. The type of business that qualify are a producer, distributor, wholesaler or reseller of manufactured products.

Does your business sell products or services to larger companies or government agencies who takes 30 to 90-days to make a payment?

- Invoice factoring is a proven solution that can alleviate your Company's cash flow problems created by delayed payments and you could receive a payment within 24-hours.
